Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: in combination with other limitations of the claims, the cited prior arts fail to teach a state transition logic unit configured to determine a state code for a next internal state to be transited in accordance with a predetermined logic, based on a state code provided from the state code register and an input command instructing transition to a required state, and to set the determined state code into the state code register with synchronizing an internal clock, as recited in claims 1 and 16.

2. Claims 1-20 are in condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Vibol Tan whose telephone number is (571) 272-1811. The examiner can normally be reached on Monday-Friday (7:00 AM-4:30 PM).
